

Sinmi Gallery is a contemporary fine art gallery located in the center of Daegu's Bongsan art district. Since 1984, Sinmi Gallery has started to promote art market by curating exhibitions of Korean famous artists. Sinmi Gallery is constantly developing new pages with emerging artists who can show creativity and potential within the range of contemporary art, in the meantime, working on the exhibitions of domestic and foreign artists.

Sinmi Gallery continuously makes effort in finding and nurturing artists with the ability to reshape the overall art market's trend as well as ones that have unseen potential. Also, Sinmi Gallery makes and provides custom-information for frequently inquired artists in a persuasive way. Sinmi Gallery works as a local artist promoter includes services in overseas art-fairs, as well as regularly using other spaces for exhibitions such as in areas like Seoul and Busan.

In addition, Sinmi Gallery is trying to serve as a role that anyone can easily find the center value of art in a well-organized system and is trying to act as a vital contemporary art gallery in Asia.
