

EDDIE SANTILLAN
PHILIPPINES

Eddie Santillan is a self-taught artist was born in November 18, 1983. He had never been schooled regarding arts nor never been trained by any artist.

Fascinated by the surrounding where he grew up, at the very young age, he will get pencil and paper and will start to draw particularly carabao and other animals he used to see in their barrio in Pampanga.

He honed his skills by participating in their school's art activities and competitions like poster making contest. At 19, he was given a break by a company and worked as a caricature artist, where he learned how to used different mediums in his work of art.

Eddie is self-made artist who is on his way on making a name in the field of art.
