

马德芳 **Ma Defang**

Born in 1989, Ma Defang Lives and works in Hunan. These works belongs to the artist's series entitled "Four Seasons". It is a time series. The "Four Seasons Series" is a series of work Ma started when he was at the university which he have continued throughout the years. The series expresses his feeling towards different periods of time and as seasons passes. Another work, "Time No.6" was created in 2015 when he returned to his home town. The old photos inspired his works, the places he have been, brings back all memories from the past. "6 is my favorite number, it is used to represent the feelings during my creation. I like to see creation as Ecology occurrence where there is a subtle relationship between nature and the magic of life."
