

Hsu Jia-Yin

Born in 1992, Hsu Jia-Yin is an artist in Taiwan. She creates her artworks mainly in traditional calligraphy colors, black, gray and white. In a series of artworks, she shows her ideas about reflecting the era with tiny human figure. The compositions of artworks are so amusing that you can't help but smile. She always inspires herself by experiencing and thinking about the relationship among human, environment, and era. She enjoys expressing herself through art creations a lot.
