Taiwan

Experiences

Having worked on Sculpture for almost 40 years, His inspiration comes from his observation and experience of life and nature. The lines of his works are smooth and clean. The sculpture is very vivid and smooth. He is also very good at unfolding the primeval beauty by using the material texture.

the highlight of his works

“ Human form body” series

The artist portrays all kinds of people who struggle for life via all sorts of lively postures, with which he wants to symbolize the various aspects of life and to show.
