

KIM JI SUN

All things are necessarily symbolic. Every being seems to be round. It is the very existence of man, the human nature of life, and the basic forms of life. Cohesion, dissolution, accumulation, and coagulation. To honour life, dots form the basis of Kim Ji Sun's creations.

2007 B.A. in Painting, College of Fine Art, Chungnam University

2010 M.A. Graduate School of Art, Chungnam University
