

ARTIST VAN TRI

Van Tri was born in 1982 in Hoi An old town, Quang Nam province - the middle of Vietnam. Born and raised on a famous land rich in cultural and artistic traditions, when was young, Van Tri has exposed his passion for painting. Although he has experienced in many jobs such as contraction worker, carpenter, mechanic, hair cutting ... Van Tri always learn and explore his painting skill.

He creates many artworks by combining painting and meditation. Researching of natural meditation helps to build up his own soul and style. His works, especially painting about lotus, is attractive with alive colorless and surrealism. Tri's paintings bring to viewer gently and deep emotions.

Tri did not receive formal training. He drew from a young age but not until 2011 did he spend all time for painting. His talent got him noticed by art lovers, collectors and others.
