

I was born in Sarajevo in 31.10.1971, and I am currently living in Altdorf bei Nurnberg. There is nothing special to say about me. I had to give up art studies because of family-related reasons and starts to revived my creatively expressions about a year ago. Since that time I had numerous exhibitions: two in Vienna, Austria. One in Berlin, Germany. One in Miami, USA.

There will be more to come.
