인사말

작가는 그림이 만들어 놓은 길을 걷습니다.

해는 나뭇가지에 걸려 있을때 즘 숲이 길을 삼켜버리고  
어둠이 양팔을 벌려 달려들어 도 길을 갈 수 밖에 없습니다.

어제의 길을 오늘도 가고 있는게 삶인 걸 어찌하겠습니까.

우리들이 시작했던 곳으로 돌아가는 행로라면 서둘지 마십시오.

아둔하고 가난한 마음이 그림이 됩니다.

그림이 저만치 앞에서 손을 흔들고 있을테니 슬퍼하지 마십시오.

그림속을 걷고 있는 사람은 행복합니다.

-작가노트 중에서-

Greetings

An artist walks through the road created by paintings.

He still keeps walking forward even when the sun goes down between  
boughs and the woods shades the part and the darkness  
spreads out its arms and comes nearer.

Who could ever stop walking? — life is about going by the road gone yesterday

Don't rush, though, if this path heads back to where we began.

A dull and poor heart will be the painting.

Don't be sad for it will be waving its hands far off in the distance.

Whoever walks in the painting will earn happiness.
