4th Nokmee exhibition 2015

5th Nokmee exhibition 2017

Ewha Art Center Nokmee exhibition 2019

In order to visualize the emotions I have had throughout my life, the colors, lines, and specific objects such as fish, tops, and watering cans have always been my choice of media.

Within this series of 'Four Seasons,' these media (colors, lines, and objects) convey the Essence of Life of Spring, Passion of Summer, Fertility of Fall, and Serenity of Winter.
