

LYYF Visual Art Center

www.longyinyafeng.com

LYYF Visual Art Center, founded in 2003, is located in Songzhuang International Art District, Beijing, covering an area of 1000 square meters. As an Art Institute, LYYF offers services from Art Fair planning, promotion, to Artwork collection, publication and academic research, about which LYYF spares no efforts in combing the history of Chinese contemporary art, but also in exploring its future tendency. Besides, LYYF has its own periodical publication, Contemporary Oil Painting, the only Academic Journal focusing on mono-graphic study of oil painting in mainland China.

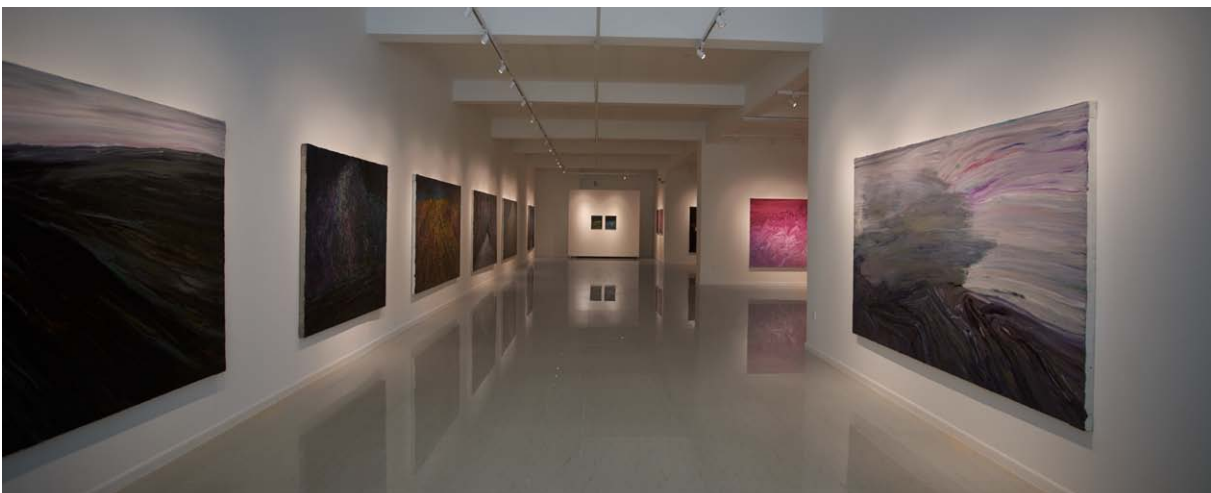

LYYF Visual Art Center

The media formats LYYF Visual Art Center operates, include the academic journal of Contemporary Oil Painting, the website of www.art579.com, and the Wechat official account of art579, through which LYYF has built long-term connection with more than 14,000 talented artists in China, and gained reputation within the art circle. The followers of Wechat official account of art579 has already reached 18,000, most of which are artists, artwork collectors, practitioners and enthusiasts of art, etc. What's more, LYYF is the long-term partner of "Today Art Museum", "National Art Museum of China" and other famous galleries in China.

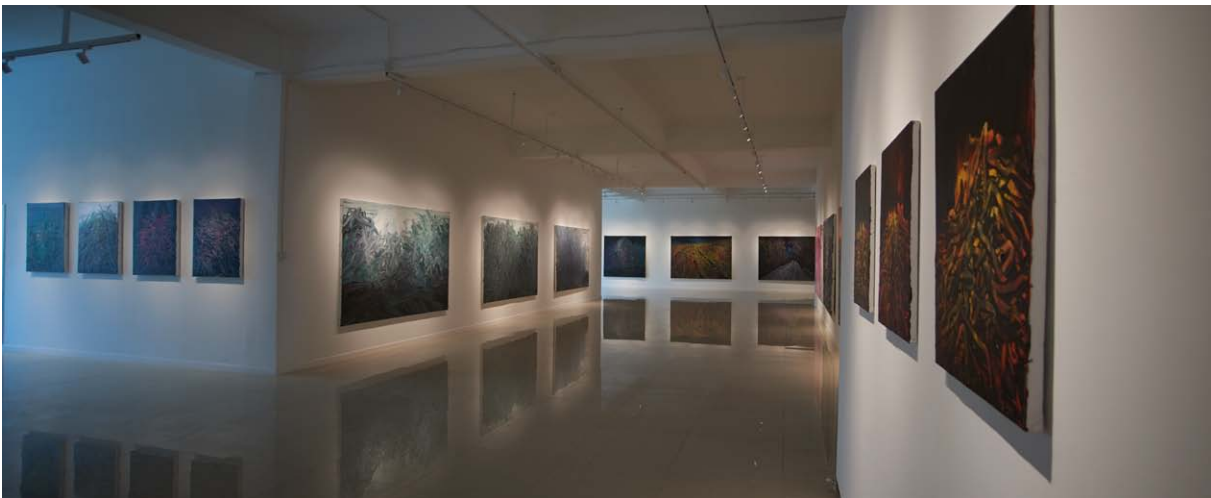

At present, LYYF represents and cooperates with mature artists, focusing on easel painting, as well as young artists with great potential. However, given to the demands of future develop, easel painting will become one type of art forms collected, and LYYF is willing to set up partnership with as many contemporary artists of diversity and vitality.

LYYF has its criterion of selecting artist partners and artworks, which is that the potential artist should have built his/her own set of clear logic and development system, and the artwork should be representative of personal traits and this era.
