

The founder of WE GALLERY believes that artworks are not exclusive to luxury, where life is, where art exists, based on this belief and a passion for art, WE GALLERY artworks have the perfect combination of both quality and value.

WE GALLERY aims at introducing art to a wider audience. "Art is affordable to everyone", to live up our motto, WE GALLERY offers various types of artworks, such as painting, sculpture, photography, engraving, and general materials, price under 100,000 CNY.

WE GALLERY has established long-term cooperation with over a hundred international artists across Europe and Asia to ensure the diversity of the artworks. For having an experienced and diverse team, WE GALLERY guarantees that every product will be of the highest quality and still be affordable.

Furthermore, to deliver an enjoyable and professional purchasing experience, WE GALLERY also provides complimentary consulting services.
