

*Studio Paradise-An Initiative to Promote Art by Paradise Road Design*

**Studio Paradise has been promoting art now for a couple of years. It was an initiative taken by a Paradise Road Design which is primarily an interiors and turnkey unit.**

**Paradise Road Design founded by Jessie Shrimali provides “ Complete Interior Solutions’ for Residences and Corporates including Artwork Installations. With big brand names under its belt, Paradise Road Design has Complete know how in executing turnkey projects and Sourcing Original Art and Installations.**

**We have successfully completed various corporate and residence art orders and installations. We provide a whole range of art to fit everyone’s budget and requirement.**

**At Studio Paradise we’re passionate about contemporary art. And share our passion by engaging collectors and art lovers through gallery exhibits, curated shows in public art spaces, art consulting, and special events.**

**We are dedicated to promoting art as a way to inspire and enrich our lives, our communities and world. We help new and experienced art collectors find paintings, drawings, and photography by emerging, established and senior artists.**

**Studio Paradise has been hosting art events on its own and in collaboration with other galleries internationally and locally within India. It has been a part of various Art Fairs and Exhibitions as well. To name a few:**
