

Established in 2000, Art-Lease is the first company in Hong Kong to provide Art-Leasing and Artwork commission services for corporates.

Because art is a key factor inviting to the creativity, culture and communication, it represents an unique opportunity to reinforce your corporate identity or enrich your environment.

Art Lease offers you the chance to enjoy original art at a reasonable cost.

Choose from our collection of paintings, drawings, limited edition prints and sculptures from local and international artists.
